REASONS FOR ALLOWANCE

1. Claims 1-20 are allowed over the prior art of record.
2. The following is an examiner's statement of reasons for allowance:

The primary reason for allowance of claims 1, 2, 13 and their extended claims is the claimed subject matter regarding "engine rotational speed detecting means for detecting an engine rotational speed, wherein the stroke detecting means detects a stroke based on a variation in intake air pressure detected by the intake air pressure detecting means and detects a stroke based on a variation in the engine rotational speed detected by the engine rotational speed detecting means, and completes stroke detection when the detected strokes coincide with each other" which the prior art references did not disclose.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
